

Our Centre

Our custom designed, state of the art centre offers a range of facilities for meetings and events.

There are a variety of clean, bright, modern and flexible spaces available which can be used for talks, workshops, etc with additional facilities such as catering and presentation aids available upon request.

Please contact us when planning your up and coming events and see what we can offer to help make your event a success.

Our website has details on the rooms available. Special rates are available for community groups and activities. So don't delay. **ASK TASK!**

How do we do it?

- ♥ Fully qualified highly motivated staff
- ♥ A welcoming environment
- ♥ Encouraging active parent participation

CARING SHARING CHILDCARE

Our Services

At **TASK Childcare Family Support and Learning Centre** we offer a range of integrated and accessible services aimed at providing families with options and flexibility for their childcare.

To enable our children to thrive and to meet the needs of their families, we offer a varied and responsive range of holistic approaches.

We respect and value our parents/carers and recognise that they are the child's first educators. We have an open, honest and supportive relationship with the families of our nursery. As a service we are well connected within the community and believe that our setting's successes is the result of developing and maintaining strong approaches with all of our partners.

We provide a wide range of services such as:

- ♥ Full Day Nursery Provision
- ♥ Out of School Care
- ♥ Family Support & Learning
- ♥ Training facilities
- ♥ Community led events

Family Support & Learning

The service values the contribution parents/carers and families make to children's learning. Positive relationships that are fostered to support confidence and self-esteem within families have been established.

Our nurturing ethos encourages more targeted support to families that enables them to engage in a variety of learning opportunities which meet their individual needs. Our learning programmes contribute to a culture of learning within the family as our

practitioners provide opportunities for parents/carers and children to learn together.

At TASK we strive to ensure that families are feeling included, they are participating, achieving and progressing as a result of their engagement in family learning.

Nursery Provision

- ♥ For children 0-5 years
- ♥ Full time & part time places
- ♥ 8am-6pm Monday-Friday
